1.0 Introduction

The University of Connecticut (“UConn”) is soliciting proposals from experienced and qualified individuals or firms to provide Vibration Analysis and Balancing Services. The services will include all equipment, materials and qualified labor required to provide experienced testing and balancing services to aid the Utility Operations and Energy Management Department. It shall be noted that any contract(s) resulting from this bid will not be an "exclusive" contract. The University will reserve the right to make multiple awards and to place purchase orders in any manner deemed to be in the best interest of the University. Respondents are expected to be completely familiar with all the requirements outlined in this solicitation prior to submitting a proposal. To simplify the award process respondents must submit proposals that include all required documents in the format specified herein.

2.0 Background – About UConn

The University is a Land, Sea, and Space Grant consortium institution, which occupies over 4,300 acres, enrolling over 30,000 students. The main campus is located in Storrs, Connecticut with regional campuses located throughout Connecticut. Regional campuses are located in Groton at Avery Point, Stamford, Waterbury, and Hartford. Its academic health center, UConn Health, is located in Farmington, and the UConn School of Law is located in Hartford, Connecticut. Detailed University demographics can be found online on the annual Fact Sheet. https://uconn.edu/content/uploads/2018/07/INS-004-Fact-Sheet-070918-FY19.pdf

3.0 Scope of Work

It is the University’s intent to obtain a qualified and experienced firm to provide Vibration Analysis and Balancing Services on the Storrs Campus and regional campuses. The Facilities Operations Department in Storrs operates and maintains the Central Utility Plant (CUP), which includes its Cogeneration Plant (CoGen). The Reclaimed Water Facility (RCW), the portable Water Distribution System, includes all well pump and related chemical treatment and water supply systems. The Water Pollution Control Facility (WPCF), for sewage removal and treatment, includes several lift station configurations. These systems incorporate prime movers including; electric, steam, natural gas, diesel and gasoline fired engines that provide the power for the rotating machinery. These prime movers and corresponding power transmission units vary in horsepower, manufacturer, configuration and end use throughout all buildings on UConn’s campuses. Services are required for the predictive maintenance of this rotating equipment for all UConn Campuses.

The purpose of the vibration measurement and analysis program is to support accurate machinery condition assessments. Engineering limits for the physical parameters must be established so that pending problems can be detected during routine monitoring. Predictive maintenance compares the trends of
measured physical parameters against established limits to aid analysis, detection and correction of problems before failure occurs.

**CUP, Central Utility Plant** – a 25MW Co-Generation facility with steam production to 555KPH and water chill production to 12,000 tons.

**RCW, Reclaimed Water Facility** – the water distribution system includes a series of eight wells, four located at the Willimantic Well system and four located at the Fenton River Well System plus other associated pumps for the production and chemical treatment of water.

**WPCF, Water Pollution Control Facility** - Consists of 24 lift and pumping stations, the main plant is permitted for treating up to 3 million gallons of waste water per day.

All Services must be performed to the complete satisfaction of the University. A representative of the University will oversee each project to provide direction, coordination and to insure that work is completed.

Unless otherwise agreed to, the contract shall become null and void on the last day of the fiscal year for which appropriations were received; except that if an appropriation to cover the costs of this contract becomes available within sixty (60) days subsequent to termination under this clause, the University agrees to re‐establish a contract with the firm whose

All Bidders submitting proposals concur with this method of award and will not, under any circumstances or in any manner, dispute any award made using this method.

7.12.1 The University may reject the proposal of any Bidder who is in default of any prior contract or is guilty of misrepresentation or any Bidder with a member of its firm in default or guilty of misrepresentation.

7.12.2 The University may, in accordance with and pursuant to the Regulations of Connecticut State Agencies may correct inaccurate awards resulting from clerical or administrative errors.

7.12.7 In the event of a default by the Proposer, the University reserves the right to procure the commodities and/or services from other sources, and hold the Proposer liable for any excess cost occasioned thereby. If, however, public necessity requires use of material or supplies not conforming to the specifications, they may be accepted and payment therefore shall be made at a proper reduction in price.

7.12.8 The Proposer guarantees to save the University, its agents or employees, harmless from liability of any nature or kind, for use of any copyrighted or non-copyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, of which the Proposer is not the patentee, assignee or licensee.

7.12.10 In the event there is a need for material bonding, performance bonding and/or insurance, the bidder will provide the bonding and/or insurance when requested and do this within fifteen (15) days after receipt of our notification of apparent low bidder, otherwise, the University reserves the right to go to the next qualified bidder who can comply.

7.12.11 Remedies Upon Default: In any case where the Proposer has failed to deliver or has delivered non-conforming goods or services, the University shall provide a "notice to cure". 7.14 Business Relationship Affidavit:

7.14.1 The proposing Proposer must certify that no elected or appointed official or employee of the University has benefited, or will benefit financially or materially from the proposed services. Professional Services Liability Insurance: (If applicable) The Contractor will furnish evidence, by way of a certificate of insurance, that it has obtained a professional services liability insurance policy with $1,000,000.00 minimum coverage for negligent errors and omissions. If any claims are made against its professional services liability insurance policy, the Contractor agrees to purchase additional insurance in order to maintain the minimum coverage of $1,000,000.00. The insurance will remain in effect during the entire duration of this Contract and for eight (8) years after substantial completion of the Project. For policies written on a “Claims Made” basis, the Contractor agrees to maintain a retroactive date prior to or equal to the effective date of this Contract. The Contractor will contractually require any architectural or engineering firm it hires to maintain professional liability insurance in the same amount and with the same provisions indicated above. The Contractor’s policy will provide coverage for the Contractor’s obligation under this Contract to indemnify and hold harmless the University and the State, and their employees and agents, from claims, liabilities, demands, damages, costs or expenses (including all reasonable attorney’s fees) to
the extent caused by or resulting from any negligent act or omission of the Contractor or anyone for whom the Contractor is responsible in the performance of this Contract, and each policy held by a Contractor of the Contractor shall provide the same coverage to the extent of such Contractor’s negligent acts or omissions.

Each of the policies for the insurance mentioned above will be issued by an insurance company or companies satisfactory to the University and will contain a provision that coverages will not be changed, canceled, or non-renewed until at least thirty (30) calendar days prior written notice has been given to the University. Each insurance policy will state that the insurance company agrees to investigate and defend the insured against all claims for damages to the extent that all alleged damages might be covered by insurance. Such insurance policies will name the State of Connecticut, the University of Connecticut, their officers, officials, employees, agents, boards and commissions as additional insured, except that the University and the State will not be named as an additional insured with respect to the coverage for the statutory workers' compensation and employer's liability insurance. Certificates of insurance shall clearly indicate the title and date of this Agreement or some easily identifiable reference to the Contractor’s relationship to the University. Certificates of insurance showing such coverages as required in this section will be filed with the University prior to the time this Agreement is executed on behalf of the University. Upon the request of the University, the Contractor will provide to the University a copy of any of the aforementioned policies, and any endorsements or amendments thereto.

7.27 Contractor’s Indemnity and Assumption of Liability:

7.27.1 To the maximum extent allowed by law, the Contractor shall indemnify, defend and hold harmless the University and the State of Connecticut, their employees, agents, agencies and subcontractors from and against any and all claims, liabilities, demands, damages, costs and expenses (including all reasonable attorneys’ fees) to the extent caused by or resulting from any act or omission, negligence, willful misconduct, or breach of this Agreement by, or which is the fault of, the Contractor, its employees, subcontractors or anyone for whom the Contractor is responsible. This indemnification will survive the completion of the Services and termination of this Agreement to the maximum extent allowed by law. Contractor's indemnification obligations shall include, without limitation, a full and complete responsibility for the Services, and any cost, liability or expense incurred by the University arising from the failure of Contractor, its representatives, agents, subcontractors and/or its or its subcontractors’ employees to take appropriate and reasonable action to prevent damage to the University or its property. In fulfilling its indemnification and defense obligations hereunder, the Contractor shall use legal counsel reasonably acceptable to the University.

7.27.2 The Contractor’s indemnity shall include, without limitation, damage due to misuse by Contractor or any person for whom the Contractor has responsibility, of tools, machines, vehicles or uncontrollable equipment that may malfunction. University property damaged in the performance of Services shall be repaired and left in good condition (as found). All such repairs shall be accomplished by the Contractor at no cost to the University.
7.27.3 State of Connecticut agencies (University of Connecticut) may not enter into indemnification or “hold harmless” agreements. In the event of a loss by the Proposer or any third party, recourse may be found through the State of Connecticut Claims Commission, as provided under Chapter 53 of the General Statutes of the State of Connecticut, in which all claims against the State of Connecticut and the University of Connecticut will be filed with the Connecticut Claims Commissioner.

7.27.4 Nothing in this RFP will be construed as obligating the Contractor to indemnify or hold harmless any of the parties indemnified against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of such indemnified party, or such party’s agents or employees, if such indemnification would be in violation of Connecticut General Statutes §52-572k.

7.27.5 The Contractor’s obligations in this proposal shall survive the termination and expiration of this Agreement.

7.28 License:
Any Agreement resulting from this RFP will not grant the Proposer a license or other right to duplicate or use any image or intellectual property of the University in any manner other than as may be expressly approved in writing in connection with the performance of the contract.

7.29 OSHA Compliance:
All items to be furnished hereunder shall meet all applicable State and Federal requirements of the Occupational Safety and Health Act. All alleged violations and deviations from said state and federal regulations or standards of the items or services to be furnished hereunder, must be set forth on the proposed requirements and criteria in the proposal response. Or, if at any later date, the items or services contained herein shall not meet all applicable state and federal requirements after the proposer is awarded the contract hereunder, the proposer must notify the University’s Director of Procurement Services immediately by registered mail.

7.30 Advertising/Sponsorship Opportunities:
In submitting a proposal, the Proposer agrees, unless specifically authorized in writing by the University on a case by case basis, that it shall have no right to use, and shall not use, the name of the University of Connecticut, its officials or employees, or the Seal of the University, a) in any advertising, publicity, promotion; nor b) to express or imply any endorsement of agency’s services; nor c) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (a) and (b) above) except only to manufacture and deliver in accordance with this agreement such services as are hereby contracted by the University. Should the Proposer be interested in pursuing a formalized sponsorship agreement with the University through its Division of Athletics, which may include advertising benefits and use of University marks, please contact the procurement official identified in section 4.2.1 for details on how to pursue such a relationship.
7.31 **Licensed Merchandise:** Pre-authorization must be received from the University for the use of University's names, marks, and logos.

7.32 **Intellectual Property:**

7.32.1 The Proposer shall pay all royalties, license fees, and patent to invention rights, or copyrights or trade and service marks and defend all suits or claims for the infringement of any patent or invention right or copyrights or trade and service marks involved in the items furnished in any contract resulting from this RFP.

7.32.2 The Proposer will hold and save the University and its officers, agents, servants, and employees harmless from liability of any nature or kind, including cost and expenses for, or on account of any patented or unpatented invention, process, article, or appliance furnished in the performance of any contract resulting from this RFP including its use by the owner, unless otherwise specifically stipulated.

7.32.3 Copyrights for any item specified shall be the property of the University and inure to its benefit and Proposer shall execute such documents, as University may require, for the perfection thereof.

7.32.4 The University shall retain all rights, title and interest in all its usage, user and biographical data and Proposer shall only use such data to the extent necessary for complying with its obligations to the University unless it otherwise receives express written approval from the University’s designee for any other use.

7.33 **Confidential Information:**

7.33.1 The University treats Proposals as confidential until after the award is issued. At that time, they become subject to disclosure under the Freedom of Information Act. If a Respondent wishes to supply any information, which it believes is exempt from disclosure under the Act, said Respondent should summarize such information in a separate envelope and each page submitted should clearly state "Confidential," but otherwise be presented in the same manner as the Proposal. However, any such information is provided entirely at the Respondent's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the Respondent in connection with its proposal.

7.33.2 The proposer and its employees will not disclose information acquired in connection with the performance of services under this agreement which is proprietary or confidential in nature to the University without written permission from the University. This confidentiality will continue to be in effect even after the contract has been completed or terminated for any reason. Some projects may require additional confidentiality documentation or agreements, which will vary according to the University's needs, legal requirements and scope of work.

7.34 **Responsibility of Those Performing the Work:**
7.34.1 The Proposer shall be responsible for the acts and omissions of all the Proposer’s employees, as well as all other persons involved in performing any tasks associated with the provision of the goods and/or services outlined in this RFP by the Proposer.

7.34.2 The Proposer shall at all times enforce strict discipline and good order among the Proposer’s employees and shall not employ any unfit person or anyone not skilled in the task assigned.

7.34.3 The contract awardee, when so determined by the University, shall dismiss incompetent or incorrigible employees from the project, and such persons shall be prohibited from returning to the project without written consent of the University.

7.35 Freedom of Information:
While the University may be willing to agree not to disclose the information proactively, the University is subject to the Connecticut Freedom of Information Act, found in Chapter 14 of the Connecticut General Statutes, which may require disclosure, should the document be requested with limited exceptions. Two such exceptions that might apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-210(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-210(b)(5) may apply to a given request for the records in question, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements to would need to be borne by the owner of said trade secrets, not the University. Further, if the entity seeking access to the documents challenges the University’s withholding of the document, said owner may be required to prove at the Freedom of Information Commission and/or in a Court of Law, that the release of said trade secrets would be harmful to the owner of the intellectual property or properties in question.

7.36 Mandatory Affidavits:
The Office of Policy and Management has created new ethics forms effective August 1, 2007 to assist executive branch agencies in complying with the State of Connecticut's current contracting requirements, pursuant to the Connecticut General Statutes and Executive Orders of Governor M. Jodi Rell. The University will require the applicable mandatory affidavits to be completed by the Proposer at the time of bid response and contract award. The required affidavits are enclosed as part of this document. Detailed information regarding the requirement of such affidavits can also be found on the Office of Policy and Management website:

7.37 Joint Ventures:
Bids submitted by bidders under 'joint venture' arrangements or other multi-party agreements must include a power of attorney delegating authority to one principal with authority to negotiate and execute any/all contract documents resulting from the bid.

### 7.38 Executive Orders of the Governor:
The executed contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order 14 and/or Executive Order 49 are applicable, they are deemed to be incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor’s request, the University shall provide a copy of these orders to the Contractor.

### 7.39 Ethics and Compliance Reporting/Whistleblower Protection:
In accordance with the University’s compliance program, the University has in place an anonymous ethics and compliance reporting hotline service – 1-888-685-2637. Any person who is aware of unethical practices, fraud, violation of state laws or regulations or other concerns relating to University policies and procedures can report such matters anonymously. Such persons may also directly contact the University’s compliance office at: Office of Audit, Compliance, and Ethics, 9 Walters Avenue, Unit 5084, Storrs, CT 06269-5084; Phone 860-486-4526; Fax 860-486-4527. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as well as any sub-Proposers, who are involved in the implementation of this contract, of this reporting mechanism.

### 7.40 State Elections Enforcement Commission (SEEC) Requirements:
For all State contracts as defined in Public Act 10-1 having a value in a calendar year of $50,000 or more or a combination or series of such agreements or contracts having a value of $100,000 or more, the authorized signatory to this submission expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state Proposers of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the SEEC notice found in UConn Sample Purchasing Agreement attached to this bid solicitation.

The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Conn. Gen. Stat. § 46a-56; and (4) the Contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor which relate to the provisions of this Section and Conn. Gen. Stat. § 46a-56.

(h) The Contractor shall include the provisions of the foregoing paragraph in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Conn. Gen. Stat. § 46a-56 as amended; provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a
result of such direction by the Commission regarding a State contract, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

7.42 Termination for Cause:
The University may terminate any resulting Contract for cause by providing a written Notice to Cure to the Proposer citing the instances of noncompliance with the contract. The Proposer will have ten (10) days to reply to the Notice to Cure and indicate why the contract should not be terminated and recommend remedies to be taken.

a. If the Proposer and the University reach an agreed upon solution, the Proposer will then have thirty (30) days after such agreement is reached to cure the noncompliance cited in the Notice to Cure.

b. If a mutually agreed upon solution cannot be reached within ten (10) days after receipt of Notice to Cure by Proposer, the University reserves the right to terminate the Contract at that time by written notice of such termination.

c. If the mutually agreed upon solution is not implemented within thirty (30) days from the date of agreement, the University reserves the right to terminate the Contract at that time by written notice of such termination.

7.43 Termination for Convenience:

a. The University may terminate any resulting Contract in whole or in part whenever, for any reason, the University shall determine that such termination is in the best interest of the University and/or the State of Connecticut.

b. If the Contract is terminated by the University pursuant to this section, the University will provide the Proposer sixty (60) days written notice of such intention. In the event of such termination, the Contract Administrator and/or designee will notify the Proposer by certified mail, return receipt requested. Termination will be effective as of the close of business on the date specified in the notice.

7.44 Background Checks:

The
background check must minimally include criminal conviction information for the past seven years, a check of the national and state sex offender registries and a social security number verification. All fees associated with the background checks shall be the responsibility of the Contractor.    a. The University shall provide the Contractor with a Notice to Cure citing the instances of noncompliance with the Contract. The Contractor shall have ten (10) days to reply to the Notice to Cure and indicate why the Contract should not be terminated and recommend remedies to be taken.
b. If the Contractor and the University reach an agreed upon solution, the Contractor shall then have thirty (30) days after such agreement to effect such solution.

c. If a mutually agreed upon solution cannot be reached within ten (10) days of receipt of Notice to Cure by the Contractor, the University may terminate the Agreement by written notice to the Contractor.

d. If the mutually agreed upon solution described above is not implemented within thirty (30) days from the date of such agreement, the University may, at its option, and without limiting its remedies under this Agreement or at law or equity, (i) terminate the Agreement by written notice to the Contractor or (ii) procure the subject goods or services from another source and charge any cost difference to the Contractor.

B. Obligations of Contractor upon Termination by the University.

1. Upon the date of termination, the Contractor shall cease the performance of Services as directed by the University, and take all actions that are necessary or appropriate, or that the University may reasonably direct, for the protection and preservation of University property. Except as otherwise instructed by the University, the Contractor shall terminate any subcontracts entered into by the Contractor in connection with the Services and shall not enter into any further subcontracts, purchase orders or commitments as regards this Agreement.

2. Upon request by the University, the Contractor shall deliver to the University all records and other information pertaining to its performance, and remove from the University’s premises, whether leased or owned, all of Contractor’s property, waste material and rubbish related to Contractor’s performance, all when and as the University may request.

C. Payment in the Event of Termination.

1. If the University terminates this Agreement for convenience as provided in Section A.1 of this Section XIII or for non-appropriation of funds as provided in section A.2 of this Article, the Contractor shall be entitled to receive, as its sole remedy, (i) all amounts due and owing as of the effective date of termination plus (ii) an amount equal to the Contractor’s actual and reasonable costs incurred after the effective date of termination to protect and preserve the Service Locations, if and as requested by the University. The Contractor hereby waives and forfeits all other claims for payment and damages including, without limitation, anticipated profits.

2. If the University terminates this Agreement “for cause” under Section A.3 of this Section XIII, the amounts due and owing as of the effective date of termination, if any, shall be withheld until such time as the University is able to determine any and all damages sustained by the University which arise from such breach. In the case of a termination for cause, Contractor shall be responsible for (a) any and all costs and expenses incurred by the University to engage another contractor to perform such Services in excess of the price that would have been paid to the Contractor under the terms of this Agreement for such Services and (b) all such other costs, expenses, liabilities and damages incurred by the University which arise as a result of the Contractor's noncompliance and/or nonperformance under this Agreement. Once the University has determined the total amount of such damages, the amount, if any, due and owing to the Contractor on the effective date of termination shall be reduced by the amount of such damages. If the damages exceed such amount due, the Contractor shall promptly pay to the University the amount of such excess. If such amount due exceeds the University’s damages, the University shall remit payment to the Contractor in the amount of such excess. Under no circumstances shall the Contractor be entitled to receive, nor shall the University be obligated to tender to the Contractor, any payments for anticipated or lost profits.
D. **Setoff.** In addition to all other remedies that University may have, the University, in its sole discretion, may set off: (1) any costs or expenses that the University incurs resulting from the Contractor's unexcused nonperformance under this Agreement and under any other agreement or arrangement that the Contractor has with the University or the State of Connecticut or any agency thereof, including without limitation attorneys' fees and legal costs, and (2) any other amounts that are due or may become due from the University to the Contractor, against amounts otherwise due or that may become due to the Contractor under this Agreement, or under any other agreement or arrangement that the Contractor has with the University, the State of Connecticut or agency thereof. The University's right of setoff shall not be deemed to be the University's exclusive remedy for the Contractor's breach of this Agreement, and all other remedies that the University may have under law or equity shall survive any setoffs by the University.

XIV. **DISPUTE RESOLUTION**

A. **Mediation of Disputes.**
In the event of any disputes arise between the parties under this Agreement, the parties agree to use the following procedure prior to and as a precondition to either party pursuing any other available remedies, including arbitration or litigation.

1. A meeting will be held promptly between the parties, attended by individuals with decision making authority regarding the dispute, to attempt in good faith to negotiate a resolution of the dispute.

2. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, the parties agree to submit the dispute to non-binding mediation in accordance with the Commercial Rules of the American Arbitration Association.

3. The parties will jointly appoint a mutually acceptable mediator, seeking assistance in such regard from the American Arbitration Association if they have been unable to agree upon such appointment within twenty (20) calendar days from the conclusion of the negotiation period.

4. The parties agree to participate in good faith in the mediation and negotiations related thereto for a period of thirty (30) calendar days. If the parties are not successful in resolving the dispute through the mediation, then the parties may pursue other legal remedies available to them.

B. **Arbitration or Litigation of Disputes.**

1. **Claims Commissioner.** Any claim by the Contractor under this Agreement which is not resolved through mediation, or any other procedure set forth in this Agreement, will be subject to the provisions of Chapter 53 of the Connecticut General Statutes. The Contractor acknowledges and agrees that the sole and exclusive means for the presentation of any claim against the University or the State of Connecticut arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and the Contractor further agrees not to initiate legal proceedings in any State or Federal Court in addition to, or in lieu of, said Chapter 53 proceedings.

2. **Sovereign Immunity.** The parties acknowledge and agree that nothing in the RFP or this Agreement shall be construed as a modification, compromise or waiver by the State of any rights or defenses or any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers or employees, which they may have had, now have or will have with respect to all matters arising out of this Agreement. To the extent that this Article XIV Section B conflicts with any other section of this Agreement, this section shall govern.
3. University’s Claims Against the Contractor. Should the University have a claim against the Contractor which has not been resolved by mediation or any other procedure set forth in this Agreement, the parties agree that the University will have the option of either prosecuting the claim against the Contractor in an appropriate court of general jurisdiction in the State of Connecticut as selected by the University, or by filing a demand for arbitration pursuant to the Commercial Rules of the American Arbitration Association which arbitration shall take place in Mansfield, Hartford or such other location in the State of Connecticut as selected by the University. The Contractor hereby submits to the jurisdiction of the courts of the State of Connecticut.

Any records not available at the time of an audit will be deemed unavailable for audit purposes. The Contractor shall advise the University of the location of all records pertaining to this Agreement and shall notify the University by certified mail within ten (10) calendar days if/when the records are moved to a new location.

F. **Executive Orders.** This Contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Each contract between a State or quasi-public agency and a large State contractor will provide that, if an officer, employee, or appointing authority of a large State contractor takes or threatens to take any personnel action against any employee of the contractor in retaliation for such employee’s disclosure of information to the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of Section 4-61dd of the Connecticut General Statutes, the contractor will be liable for a civil penalty of not more than five thousand dollars ($5,000.00) for each offense, up to a maximum of twenty per cent (20%) of the value of the contract. Each violation will be a separate and distinct offense and in the case of a continuing violation each calendar day’s continuance of the violation will be deemed to be a separate and distinct offense. The executive head of the State or quasi-public agency may request the Attorney General to bring a civil action in the Superior Court for the judicial district of Hartford to seek imposition and recovery of such civil penalty.

Q. **Independent Contractor Status.** The Contractor shall be considered an independent Contractor in the performance of its obligations and responsibilities under this Agreement. The University shall neither have nor exercise any control or direction over the methods by which the Contractor shall perform its work and functions other than as provided herein. Nothing in this Agreement is intended to, nor shall be deemed to constitute, a partnership or a joint venture between the parties.
R. **Subcontracts.** The Contractor shall perform all of the Services with its own full time appropriately qualified, trained and experienced staff except that the Contractor may, with the prior written consent of the University, enter into written subcontract(s) for the performance of certain Services requiring proprietary knowledge of an original equipment manufacturer, electrical work and utilization of lift or access equipment. The Contractor shall be responsible for payment of all subcontractors and secondary suppliers. The Contractor shall supply the University with a contingency plan for any potential work disruption, at least sixty (60) days prior to the anticipated event. The University reserves the right to reject or accept the plan. Failure to provide such a contingency plan or to obtain the University’s approval thereof shall, notwithstanding paragraph 1 of this Section T, render a work disruption not a force majeure.

U. **No Waiver.** Neither the failure nor any delay on the part of either party hereto in exercising any right, power or remedy hereunder shall operate as a waiver thereof, or of any other right, power or remedy; nor shall any single or partial exercise of any right, power or remedy preclude any further or other exercise thereof, or the exercise of any other right, power or remedy.

V. **Code of Conduct.** In furtherance of its longstanding commitment to fundamental human rights, to the dignity of all people, and to the environment, the University has developed the Code of Conduct for University of Connecticut Vendors (the "Vendor Code of Conduct"). Any such commitment or representation is hereby incorporated herein by reference. The Contractor agrees to provide the University with such evidence of Contractor’s compliance with this section as the University reasonably requests and to, at the request of the University, provide a comprehensive, annual summary report of the Contractor’s corporate social and environmental practices.

W. **Background Checks.**
1. The background check must minimally include criminal conviction information for the past seven years, a check of the national and state sex offender registries and a social security number verification. In conducting such background check, the Contractor shall comply with all applicable federal and state laws. All fees associated with the background checks shall be the responsibility of the Contractor. The Contractor shall immediately remove any employee, independent contractor or agent performing services under this Agreement on campus: (i) if it becomes known to the Contractor that such person may be a danger to the health or safety of the campus community, or (ii) at the request of the University, based on a concern of community or individual safety.

Such permission to use the mark as may be granted pursuant to the terms of this Agreement shall terminate at the expiration of the Agreement.

Z. Counterpart Signatures. This Agreement may be executed in counterparts, and each counterpart shall have the same force and effect as an original and, when taken together, shall constitute one and the same instrument and an effective binding agreement on the part of each of the undersigned. Execution of a facsimile or PDF copy shall have the same force and effect as execution of an original. Signed copies of this Agreement may be faxed and e-mailed with the same force and effect as if the originally executed Agreement had been delivered.

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall knowingly solicit contributions from the state contractor's or prospective state contractor's employees or from a subcontractor or principals of the subcontractor on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

**Civil penalties**—Up to $2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to $2,000 or twice the amount of the prohibited contributions made by their principals.
Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than $5,000 in fines, or both.

**CONTRACT CONSEQUENCES**

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

MEMORANDUM

To: Vendors Conducting Business with the State of Connecticut

From: M. Jodi Rell, Governor

Subject: State Ethics Policy

Date: September 28, 2004

As you are undoubtedly aware, state government is striving to improve how it conducts its business. The task force charged with analyzing the state contracting process recently recommended to me several areas which require improvement. I expect to implement a number of those recommendations. Your assistance is needed in order to facilitate change.

While the state ethics code does not prohibit gifts to state employees altogether—for example, the law permits employees to accept a gift in celebration of a major life event and up to $50 per calendar year in food and beverage—the intent of the code is clear. State employees should not just avoid impropriety, but even the mere appearance of impropriety, and should forego accepting gifts from those with whom the state does business.

I would also call your attention to section 1-84(m) of the Connecticut General Statutes, which prohibits state employees from accepting gifts from those who do business, or seek to do business, with the employee’s agency or department. Vendors and prospective vendors are also prohibited from knowingly giving gifts to state employees in violation of this section.

My request to you is this, no matter how well-intentioned or appreciative you may be of an employee’s assistance, I would ask that you refrain from offering a state employee a gift of any kind, including, but not limited to, meals and beverages. Offering a gift to an employee puts the employee in the rather uncomfortable position of having to decline the gift or ascertain its monetary value and consult with an attorney and/or the state Ethics Commission.

I expect—and indeed the residents of this state deserve—state government employees to adhere to the highest ethical standards, which may entail more stringent practices than even the ethics code provides. With your assistance, the state should be well on its way to restoring the public’s faith in state government.

I would appreciate it if you would communicate this message to your employees. Thank you for your cooperation and understanding.

CODE OF CONDUCT FOR UNIVERSITY OF CONNECTICUT VENDORS

The University of Connecticut (“UConn”) has a longstanding commitment to the protection and advancement of socially responsible practices that reflect respect for fundamental human rights and the dignity of all people. UConn strives to promote basic human rights and appropriate labor standards for all people throughout its supply chain. Promoting these values in concrete practice is the central charge of the President’s Committee on Corporate Social Responsibility (http://csr.uconn.edu/).

UConn is also committed to building a safe, healthy and sustainable environment through the conservation of natural resources, increasing its use of environmentally responsible products, materials and services (including renewable resources), and preventing pollution and minimizing waste through reduction, reuse and recycling. UConn is proactive about purchasing products that have these environmental attributes or meet recognized environmental standards, when practicable, and buying from entities committed to the support of campus sustainability goals. The University seeks to partner and contract with vendors that demonstrate a similar commitment to these values. Selected vendors may be required to provide a comprehensive summary report of their corporate social and environmental practices.

**Principal Expectations**

The principal expectations set forth below reflect the minimal standards UConn's vendors are required to meet.

**Nondiscrimination.** It is expected that vendors will not discriminate in hiring, employment, salary, benefits, advancement, discipline, termination or retirement on the basis of race, color, religion, gender, nationality, ethnicity, alienage, age, disability or marital status, and will comply with all federal nondiscrimination laws and state nondiscrimination laws\(^1\), including Chapter 814c of the Connecticut General Statutes (Human Rights and Opportunities), as applicable, and further will provide equal employment opportunity irrespective of such characteristics, including complying, if applicable, with Federal Executive Order 1124b, and the Rehabilitation Act of 1973.

**Freedom of Association and Collective Bargaining.** It is expected that vendors will respect their employees’ rights of free association and collective bargaining, including, if applicable, complying with the National Labor Relations Act, and, if applicable, Chapters 561 and 562 of the Connecticut General Statutes (Labor Relations Act, Labor Disputes) and Chapters 67 and 68 of the Connecticut General Statutes (State Personnel Act, Collective Bargaining for State Employees).

**Labor Standard Regarding Wages, Hours, Leaves and Child Labor.** It is expected that vendors will respect their employees’ rights regarding minimum and prevailing wages, payment of wages, maximum hours and overtime, legally mandated family, child birth and medical leaves, and return to work thereafter, and limitations on child labor, including, if applicable, the

any regulations duly promulgated pursuant to such laws.

rights set forth in the Federal Fair Labor Standards Act, the Federal Family and Medical Leave Act, the Federal Davis-Bacon Act and Chapters 557 and 558 of the Connecticut General Statutes (Employment Regulation, Wages).

**Health and Safety.** It is expected that vendors will provide safe and healthful working and training environments in order to prevent accidents and injury to health, including reproductive health, arising out of or related to or occurring during the course of the work vendors perform or resulting from the operation of vendors’ facilities. Accordingly, it is expected that vendors and their subcontractors will perform work pursuant to UConn contracts in compliance with, as applicable, the Federal Occupational Safety and Health Act and Chapter 571 of the Connecticut General Statutes (Occupational Safety and Health Act).

**Forced Labor.** It is expected that vendors will not use or purchase supplies or materials that are produced using any illegal form of forced labor.

**Harassment or Abuse.** It is expected that vendors will treat all employees with dignity and respect, and that no employee will be subjected to any physical, sexual, psychological or verbal abuse or harassment. It is further expected that vendors will not use or tolerate the use of any form of corporal punishment.

**Environmental Compliance.** It is expected that vendors will comply with all applicable federal and state environmental laws and Executive Orders, including but not limited to Titles 22a and 25 of the Connecticut General Statutes (Environmental Protection and Water Resources protection) and Executive Order 14 (concerning safe cleaning products and services). UConn expects vendors will employ environmentally responsible practices in the provision of their products and services.

**Preferential Standards**

The preferential standards set forth below reflect UConn’s core values. UConn will seek to uphold these values by considering them as relevant factors in selecting vendors.

**Living Wages.** UConn recognizes and affirms that reasonable living wages are vital to ensuring that the essential needs of employees and their families can be met, and that such needs include basic food, shelter, clothing, health care, education and transportation. UConn seeks to do business with vendors that provide living wages so as to meet these basic needs, and further recognizes that compensation may need to be periodically adjusted to ensure maintenance of such living wages. Vendors are encouraged to demonstrate that they pay such living wages.

**International Human Rights.** For UConn, respect for human rights is a core value. UConn seeks to do business with vendors who do not contribute to or benefit from systemic violations of recognized international human rights and labor standards, as exemplified by the Universal Declaration of Human Rights.
**Foreign Law.** UConn encourages vendors and vendors’ suppliers operating under foreign law to comply with those foreign laws that address the subject matters of this code, provided such foreign laws are consistent with this code. Vendors and their suppliers operating under foreign law are similarly encouraged to comply with the provisions of this code to the extent they can do so without violating the foreign law(s) they operate under.

**Environmental Sustainability.** UConn will prefer products and services that conserve resources, save energy and use safer chemicals, such as recycled, recyclable, reusable, energy efficient, carbon-neutral, organic, biodegradable or plant-based, in addition to products that are durable and easily repairable, and that meet relevant certification standards above and beyond those required by law. While UConn is not legally bound to comply with Connecticut General Statutes 4a-67a through 4a-67h concerning environmental sustainability standards in purchasing, it will nevertheless consider vendors’ ability to meet those standards in rendering its purchasing decisions. Vendors are encouraged to demonstrate their commitment to environmental sustainability.

**Compliance Procedures**
