RFI QUESTIONS AND ANSWERS - ITB for Contract # KS020124 DOOR LOCKING HARDWARE

| RFI No. | Question | Response |
|---------|--|---|
| 1 | In the pre-bid meeting it was mentioned on-going contracts were not to be included in Relevant Experience. Page 3 of the Solicitation Information Sheet seems to imply we can include such contracts with an estimated end date. Please clarify. | A contract in progress that has an actual end date may be used as an example of Relevant Experience. The contract end date should be stated on the form. |
| 2 | Is this contract funded by the State of Connecticut? If so will the Good Faith efforts and reporting be required? | The contract will be funded by the University of Connecticut, an agency of the State of Connecticut. Good faith efforts are to be exercised as described in the Model Agreement for the Purchase of Goods and Services included in the Invitation to Bid. Regarding reporting, refer to Exhibit B, Section 10 Examination of Records and Audit, of the Model Agreement. |
