6.16 Notification of ITB Status: Upon completion of the ITB review process, all Proposers will receive an ITB status notification. This notification covers three outcomes: No Further Consideration, Selected to Short List, or Intent to Award.

Unless otherwise agreed to, the contract shall become null and void on the last day of the fiscal year for which appropriations were received; except that if an appropriation to cover the costs of this contract becomes available within sixty (60) days subsequent to termination under this clause, the University agrees to re-establish a contract with the firm whose contract was terminated under the same provisions, terms and conditions of the original contract.

7.5 **Liens:** The successful Proposer shall keep the University free and clear from all liens asserted by any person or firm for any reason arising out of the furnishing of goods and services by or to the Proposer.

7.7.6 In the event of a default by the Proposer, the University reserves the right to procure the commodities and/or services from other sources, and hold the Proposer liable for any excess cost occasioned thereby. If, however, public necessity requires use of material or supplies not conforming to the specifications, they may be accepted and payment therefore shall be made at a proper reduction in price.

7.7.7 The Proposer guarantees to save the University, its agents or employees, harmless from liability of any nature or kind, for use of any copyrighted or non-copyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, of which the Proposer is not the patentee, assignee or licensee.

7.9.1 The proposing Proposer must certify that no elected or appointed official or employee of the University has benefited, or will benefit financially or materially from the proposed services. The University may terminate any contract resulting from this ITB, if it is determined that gratuities of any kind were either offered to, or received by, any University officer or employee contrary to this policy. The authorized signatory of a submitted proposal automatically attests this to be true. *(See also Attachment of Governor Rell’s Memo to Proposers Conducting Business with the State of Connecticut).*

7.9.2 The laws of the State of Connecticut provide it is a felony to offer, promise or give anything of value or benefit to a State employee with intent to influence that employee’s acts, opinion, judgment or exercise of discretion with respect to that employee’s duty. The Contractor shall maintain statutory workers' compensation and employers' liability insurance, comprehensive automobile liability insurance and commercial general liability insurance not less than the minimum limits as set forth below all at no cost to the University or the State of Connecticut.

The insurance will remain in effect during the entire duration of this Contract and for eight (8) years after substantial completion of the Project. For policies written on a “Claims Made” basis, the Contractor agrees to maintain a retroactive date prior to or equal to the effective date of this Contract. The Contractor will contractually require any architectural or engineering firm it hires to maintain professional liability insurance in the same amount and with the same provisions indicated above. The Contractor’s policy will provide coverage for the Contractor’s obligation under Section 3.6 of this Contract to indemnify and hold harmless the University and the State, and their employees and agents, from claims, liabilities, demands, damages, costs or expenses (including all reasonable attorney’s fees) to the extent caused by or resulting from any negligent act or omission of the Contractor or anyone for whom the Contractor is responsible in the performance of this Contract, and each policy held by a Contractor of the Contractor shall provide the same coverage to the extent of such Contractor’s negligent acts or omissions.

7.26 **Intellectual Property:**

7.26.1 The Proposer shall pay all royalties, license fees, and patent to invention rights, or copyrights or trade and service marks and defend all suits or claims for the infringement of any patent or invention right or copyrights or trade and service marks involved in the items furnished in any contract resulting from this ITB.

7.26.2 Copyrights for any item specified shall be the property of the University and inure to its benefit and Proposer shall execute such documents, as University may require, for the perfection thereof.

7.26.3 The University shall retain all rights, title and interest in all its usage, user and biographical data and Proposer shall only use such data to the extent necessary for complying with its obligations to the University unless it otherwise receives express written approval from the University’s designee for any other use.
7.27  Confidential Information:

7.27.1 The University treats Proposals as confidential until after the award is issued. At that time they become subject to disclosure under the Freedom of Information Act. If a Respondent wishes to supply any information, which it believes is exempt from disclosure under the Act, said Respondent should summarize such information in a separate envelope and each page submitted should clearly state "Confidential," but otherwise be presented in the same manner as the Proposal. However, any such information is provided entirely at the Respondent's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the Respondent in connection with its proposal.

7.27.2 The Proposer and its employees will not disclose information acquired in connection with the performance of services under this agreement which is proprietary or confidential in nature to the University without written permission from the University. This confidentiality will continue to be in effect even after the contract has been completed or terminated for any reason. Some projects may require additional confidentiality documentation or agreements, which will vary according to the University's needs, legal requirements and scope of work.

7.28  Responsibility of Those Performing the Work:

7.28.1 The Proposer shall be responsible for the acts and omissions of all the Proposer's employees, as well as all other persons involved in performing any tasks associated with the provision of the goods and/or services outlined in this ITB by the Proposer.

7.28.2 The Proposer shall at all times enforce strict discipline and good order among the Proposer's employees and shall not employ any unfit person or anyone not skilled in the task assigned.

7.28.3 The contract awardee, when so determined by the University, shall dismiss incompetent or incorrigible employees from the project, and such persons shall be prohibited from returning to the project without written consent of the University.

7.29  Freedom of Information: While the University may be willing to agree not to disclose the information proactively, the University is subject to the Connecticut Freedom of Information Act, found in Chapter 14 of the Connecticut General Statutes, which may require disclosure, should the document be requested with limited exceptions. Two such exceptions that might apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-210(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-
210(b)(5) may apply to a given request for the records in question, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements to would need to be borne by the owner of said trade secrets, not the University. Further, if the entity seeking access to the documents challenges the University’s withholding of the document, said owner may be required to prove at the Freedom of Information Commission and/or in a Court of Law, that the release of said trade secrets would be harmful to the owner of the intellectual property or properties in question.

7.30 **Mandatory Affidavits:** The Office of Policy and Management has created new ethics forms effective August 1, 2007 to assist executive branch agencies in complying with the State of Connecticut’s current contracting requirements, pursuant to the Connecticut General Statutes and Executive Orders of Governor M. The required affidavits are enclosed as part of this document or are provided as links to State of CT web site. 7.31 **Joint Ventures:** Bids submitted by bidders under 'joint venture' arrangements or other multi-party agreements must include a power of attorney delegating authority to one principal with authority to negotiate and execute any/all contract documents resulting from the bid.

7.32 **Executive Orders of the Governor:** The executed contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order 14 and/or Executive Order 49 are applicable, they are deemed to be incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor’s request, the University shall provide a copy of these orders to the Contractor.

7.33 **Ethics and Compliance Reporting/Whistleblower Protection:** In accordance with the University’s compliance program, the University has in place an anonymous ethics and compliance reporting hotline service – 1-888-685-2637. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as
well as any sub-Proposers, who are involved in the implementation of this contract, of this reporting mechanism.

7.35 **Nondiscrimination Warranties:** An executed Nondiscrimination Certification must also be provided by the Proposer at the time of contract execution for all contracts/agreements with corporations and other entities, regardless of type, term, cost or value. The Certification requires the signer to disclose his/her title and certify that the Proposer has in place a properly-adopted policy, which supports the nondiscrimination requirements of Connecticut law. This Certification is required for all original contracts/agreements as well as amendments. The Nondiscrimination Certification forms can be found with the affidavits in this document or at: [http://www.ct.gov/opm/cwp/view.asp?a=2982&q=390928&opmNav_GID=1806](http://www.ct.gov/opm/cwp/view.asp?a=2982&q=390928&opmNav_GID=1806)
