RFI NO.	QUESTION	ANSWER
1	During the bid meeting there was discussion of ice and sleet events having a conversion to inches. Ice and sleet event typically use far more ice melt and salt that a snow storm. Example would be 1/8" of ice, would equal 1" of snow measurement.	An unplowable freezing rain/ice/sleet event will be counted as 1" towards the snow total for the season. Additional visits can be counted as an additional 1" if agreed upon with the University representative.
2	What are normal business hours of the campus?	7am - 9pm M-TH, 7am- 7pm Fri , 730am- 5pm Sat
3	How many mats are at building entrances?	None
4	How many exterior doors are there?	10 Prospect: 15 doorways around building on walks, 20 total with main entries/exits. 38 Prospect: 3 Doorways
5	Will there be a university representative on site at all times during a storm event?	No
6	How long before the storm will it be decided to pretreat property?	6-8 hours
7	Will pre-existing damage be documented at this time?	Pre-existing damage assessment will be performed during the preseason walkthrough.
